

Company Profile

ABOUT US

A Pioneer Apparel Manufacturer in India

Nexsun Exports, driven by the vision of being "next to the sun," stands as one of India's premier apparel manufacturers. We specialize in producing high-quality knitwear, premium garments, and accessories for renowned global fashion brands and boutiques.

With a strong focus on innovation, craftsmanship, and staying ahead of emerging trends, Nexsun Exports is dedicated to delivering exceptional products that meet the highest standards. Our commitment to excellence ensures we remain a trusted partner in the ever-evolving world of fashion.

Our Legacy of Excellence

With over 20 years of experience in the apparel manufacturing industry, Nexsun Exports has built a reputation for excellence. We specialize in producing high-quality knitwear, garments, and accessories for global fashion brands, always prioritizing quality, timely delivery, and seamless communication with our clients.

Our expertise, combined with our commitment to customer satisfaction, ensures that we consistently exceed expectations. At Nexsun Exports, we believe in fostering strong partnerships and delivering results that align with the unique needs of each customer.

OUR SERVICES & INFRASTRUCTURE

Eco-Friendly Fabric Dyeing & Finishing

We operate a Zero Liquid Discharge Factory, equipped with an in-house RO plant, ensuring an environmentally responsible dyeing process. Our facility, compliant with Global Organic Textile Standard (GOTS) & OEKO-TEX, processes up to 400 tons of fabric per month with a wide spectrum of colors. High-end finishers from Germany guarantee exceptional fabric quality.

Advanced Printing & Embroidery

Printing: Our in-house printing division offers up to 16 colors in a single design, ensuring vibrant and precise prints with eco-friendly methods. Equipped with high-tech HJD machines from China, we transform creative ideas into reality.

Embroidery: We use Tajima & Barudan high-speed machines to craft intricate and detailed embroidery. Expertise includes multicolor applique, chain stitch, chenille, moss stitch, and sequin designs.

In-House Knitting Excellence

Our knitting division, powered by Mayer & Cie. machinery from Germany, produces 100 tons of fabric per month. This ensures seamless production control, quality assurance, and the ability to meet customized client demands efficiently.

WHY CHOOSE NEXSUN EXPORTS?

State-of-the-art facilities with cutting-edge dyeing, printing, and embroidery technology.

Sustainable and ethical production with certified eco-friendly processes.

Trusted by global fashion brands for high-quality apparel and timely delivery.

Expert craftsmanship ensuring precision, durability, and design excellence.

End-to-end manufacturing solutions, from fabric sourcing to final garment production, allowing us to maintain quality control at every stage.

Customization & Flexibility, enabling us to cater to specific client requirements, whether for large-scale production or niche designer collections.

Strong Industry Reputation, built over two decades, with a proven track record of excellence in fashion manufacturing.

Global Reach & Compliance, ensuring that all our products meet international standards for quality and ethical production.
